Re: **United States v. Asa Saint Clair, 19 CR 790 (PKC)**

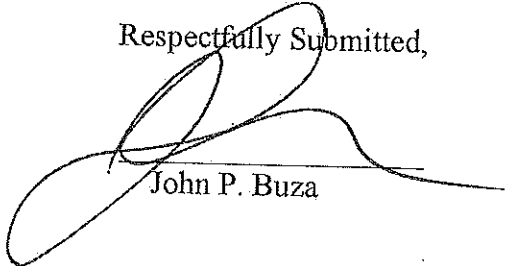

Dear Judge Castel:

I represent Asa Saint Clair in the above-captioned proceeding. The case is scheduled to be heard on February 1, 2022, at 3:30 pm for a status conference. I write to respectfully request that the Court issue an order changing the conditions of Mr. Saint Clair's release from home detention to a curfew. I make this request because it will make it significantly easier for Mr. Saint Clair to work. Neither pretrial services, nor the U.S. Attorney's Office objects to this modification. Should the Court grant this request, Mr. Saint Clair's Pretrial Services Officer has informed me that he asks that the following language be included in the modification:

"The defendant shall participate in the location monitoring program with Active Global Positioning Satellite technology. The defendant shall comply with a curfew as directed by the location monitoring specialist. The defendant shall abide by all program requirements, and must contribute towards the costs of the services, to the extent financially able, as determined by the location monitoring specialist."

I thank the Court for its consideration in this matter.

Respectfully Submitted,

John P. Buza
